Dear Brad:

Please accept the enclosed check #1231 in full payment of our new filing system.

I just wanted to let you know again how pleased we are with the system. It's better than we imagined!! And as I previously let you know, Torey and the crew of guys you have on your installation team were wonderful. Torey was a pleasure to work with especially during the few unforeseen glitches we encountered during the install.

I would be happy to be a reference in support of your product.

Thanks again for everything.

Sincerely yours,

Donna A. Sandillo, R.N.
