Dear Brad:

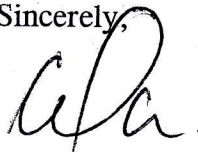

I am writing to thank you and your staff for the fine job they did moving our records center from One American Row to One Constitution Plaza.

Everything was completed timely, and your staff was professional in their approach to not an easy move.

While the scope of the work changed from a planned move between two locations to another off-site storage location until the shelving systems were completed, the transition was smooth and professionally handled.

Please don't hesitate to have any of your future clients contact me with any questions.

Sincerely,

Alan L. Jones  
Executive Director
