Dear Mr. Doran:

It has been two years since our department had your high density mobile storage system installed in our records room. I wanted to take the time and thank you for providing us with a great solution to our departments growing needs.

Since then the efficiency of that space has been drastically improved. Everything is so organized and convenient to manage with this system. We were able to significantly increase our storage and filing space, which was our top priority.

It has been a pleasure working with you on this project.

Sincerely,

Ronald M. Quagliani  
Deputy Chief of Police
